Silkscreen Printmaking

Vicky Tomayko

June 15 - June 20

MATERIALS LIST

Many of the materials you will need for this class are supplied as part of your materials fee.

Screens are available for use while you are in class. If you wish to create screens with images to take with you, you will need to supply those screens.

You will receive 10 sheets of 22"x30" white BFK Rives Rives, 280 gsm. More BFK is available for purchase at \$5 a sheet.

You should bring any other paper, fabric, or material you wish to print on:

- If you want colored papers try French Paper Company. They have a wide selection of papers suitable for screen printing. 100# paper or heavier is best.
- Smooth fabric is best if you are interested in working on cloth... shirts, bags, and patches etc.
- Tape is essential:
 - 1. Small roll of duct tape.
 - 2. Roll of masking tape, blue is good.
 - 3. Clear packing tape is also good.
- Exacto or craft knife and replacement blades.
- Scissors
- Cutting mat
- Brushes you like to use for image making.
- Source material: Digital images, drawings, etc.
